

REMARKS

1. Claims 1-27 are pending in the application.

Election/Restriction

The following groups have been identified by the Examiner.

- I. Claims 1-13, drawn to processes of making a compound of formula (1), classified in class 548 with various subclasses.
- II. Claim 14, drawn to a compound of formula (5), classified in class 548 with various subclasses.
- III. Claim 15, drawn to a compound of formula (6), classified in class 560 with various subclasses.
- IV. Claims 16-17, drawn to a compound of formula (7) or (8), classified in class 560 with various subclasses.
- V. Claims 18-19, drawn to a compound of formula (9) or (11), classified in class 548 with various subclasses.
- VI. Claims 20-23, drawn to a compound of formula (12)-(14), classified in class 540 with various subclasses.
- VII. Claims 24-27, drawn to a compound of formula (15), (16), (16a), or (16b) classified in class 548 with various subclasses.

Election:

Applicant hereby elects Group I, namely Claims 1-13.

Species Requirement:

Where an election of anyone of Groups I-VII is made, an election of a single compound or species is further required.

Applicant hereby elects Compound 15 as the single compound or species.

Examination and passage of these claims to allowance are respectfully requested.

Respectfully submitted,

/Ernest V. Linek/
